CMA Report: Document Checklist

Have these ready before we start. Your bank may ask for more or for a specific format, so confirm with your branch. Tick what you have and share the rest later.

Business and loan details

- [ ] Name, constitution and PAN of the borrower
- [ ] Type and amount of loan or limit requested, and its purpose
- [ ] Name of the bank and branch, and the format they have asked for
- [ ] Details of existing loans and limits, with sanction letters

Financial statements

- [ ] Last 2 to 3 years of finalised or audited financials (balance sheet, profit and loss, schedules)
- [ ] Provisional figures for the current year to date
- [ ] Income tax returns and computation for the same years
- [ ] GST returns summary for the current year

Working capital details

- [ ] Stock statement: raw material, work in progress, finished goods
- [ ] Debtors list with ageing
- [ ] Creditors list with ageing
- [ ] Bank statements for the last 12 months

Projections

- [ ] Expected sales for the next 3 to 5 years and the reasoning
- [ ] Expected costs, margins and any planned price changes
- [ ] Capital spending, machinery or expansion plans, with quotations
- [ ] Proposed repayment period or tenure, if known

This checklist is general guidance and not a bank requirement. AlphaZet prepares CMA data from your documents and assumptions. Loan approval is decided by the bank.
