Company Registration: Document Checklist

Have these ready before we start. Requirements can change with the entity type and the authority's current rules, so we confirm the final list in our written scope. Tick what you have and share the rest later.

For each director or partner

- [ ] PAN card
- [ ] Aadhaar card
- [ ] Passport-size photograph
- [ ] Email address and mobile number linked to Aadhaar
- [ ] Latest bank statement or utility bill as address proof, as the form requires
- [ ] Specimen signature

For the registered office

- [ ] Rent agreement or ownership proof, if rented or owned
- [ ] Latest utility bill (electricity, water or gas) not older than the period the form asks
- [ ] No-objection letter from the owner, if the premises are not owned

Business details

- [ ] Proposed company or LLP names, in order of preference
- [ ] Main objects of the business
- [ ] Proposed share capital and shareholding, or partners' contribution and profit share
- [ ] Names of the nominee, if registering a One Person Company

Afterwards

- [ ] Digital signature certificates for the signatories
- [ ] PAN and TAN of the entity, once issued
- [ ] Bank account opening documents
- [ ] GST registration, if required for your business

This checklist is general guidance and not an official list. The authority may ask for additional or different documents. AlphaZet prepares and files the application; incorporation is decided by the Registrar.
